

Connections

Connector material	PVC
Contact material	Metall
Shielding	T
Connector 1	Mini DisplayPort / Thunderbolt Stecker
Connector 2	Mini DisplayPort / Thunderbolt Stecker
Contacts	langlebiges Design

Cable

Lenght	1,5m
Inner conductor material	Hochreines OFC Kupfer
AWG	AWG32
Number of shieldings	3
Shielding 1	Aluminium Folie (100% dicht)
Shielding 3	Geflecht (100% dicht)
Outer material	Hochelastisches PVC
Outer diameter	5,0mm

Signal transmission

Supported standards	Mini DisplayPort, Thunderbolt
Transmission modes	Digitale Audio- und Videosignale
Supported Colors	10 bit
Supported audio standards	Dolby Master Audio, DTS HD
Maximum resolution	3840x2160px
